Resolution 2020-01 establishes rules and regulations governing the placement of and requirements for occupying Recreational vehicles placed on lots located in the Town of Portage.

Key elements of this resolution include:

• **Length of stay:**

1. One hundred twenty (120) days total for the year occupied, consisting of a single visitor or a combination of multiple visitors. There are no restrictions for unoccupied RVs except parking.
2. Recreational vehicle/vehicles are allowed for part-time occupancy only and are not intended for permanent or semi-permanent residency.
3. The following exception shall apply: a recreational vehicle may be used as temporary living quarters while building a home. Provided proper utility connections are installed on the same lot as the new home that is being constructed. See utility connections.

• **Utility connections:**

1. **Power:** A dedicated circuit sufficient for the RVs electrical requirements must be used.
2. **Sewage:** All sewage must be carried out or disposed of in a proper sanitary sewer system.
3. **Water:** Section 17 in the Town of Portage water ordinance.

Individual's visiting the premises of an authorized user in a recreational vehicle (this does not include mobile homes) and continues to live therein during the period of visitation, may receive water service from the service pipes or facilities of the host during the visitation period. The visitation period shall not exceed one hundred twenty (120) days total for the year, consisting of a single visitor or a combination of multiple visitors.

Continued use thereafter shall be deemed unauthorized use and will therefore be deemed a violation of the provisions of this part relating to separate connections and unauthorized use. Also see sections 14 & 15 of the Town of Portage water ordinance.

• **Parking:** All recreational vehicles shall be parked on personal property and may not be parked on Town property whether they are occupied or not in use.

• **Lots** occupied by recreational vehicles will be required to meet the same standards for cleanliness and fire safety as all other lots in the Town of Portage, both as presently stated and when future modifications are made.

With this resolution **2020-01**, the Town Council adopts these revised Planning and Zoning requirements governing Recreational Vehicles.
